On September 29, 2014, the Pa PUC issued a Secretarial Letter to the FCC and USAC certifying the ETCs listed above. However, it has come to our attention that the Study Area Code (SAC) for South Canaan Telephone Company in that letter is not current. This revised submission contains the correct SAC, 170205, for South Canaan Telephone Company. All other information contained in this version of the Pa PUC Secretarial Letter is exactly as it appeared in the previous filing.

Please direct any questions to Spencer Nahf, Fixed Utility Financial Analyst at (717) 787-5164, or Colin W. Scott, Assistant Counsel, Law Bureau, at (717) 787-5000.
